

## Dear visitor!

Due to the new directives from the Swedish Public Health Agency we have imposed new restrictions to lower the chance of infection in our libraries.

- **Limit your visit to a maximum of 15 minutes. Finish your business as fast as you can.**
- **Do not use the library space for meetings or study.**
- **The library staff will assist you only at the reception desk and will not come with you out into the library space or provide help at the library computers.**
- **Remember to keep a safe distance.**

These restrictions are effective until further notice.

You can visit our webpage [www.biblioteket.gagnef.se](http://www.biblioteket.gagnef.se), to borrow e-books, e-audiobooks, e-papers and stream movies. You can also refresh your loans, reserve books and search our catalogue.

If you do not want to enter the library, you can arrange to collect your books outside of the library. Contact us via telephone or e-mail for more information.
